

FAIRFIELD
FORWARD

WATER BOTTLE FILLING STATIONS

Through a partnership with local schools, water bottle-filling stations have been installed for all students. The program is currently expanding to local public buildings and private businesses.

Bottle Filling Station delivers a clean quick water bottle fill and enhances sustainability by minimizing our dependency on disposable plastic bottles. Complete cooler and bottle filling station in a consolidated space-saving ADA-compliant design. The integrated look combines our Green Ticker™ and filter status lights.
